Undergraduate Student Poster Presentation Guidelines
Annual Idaho INBRE Summer Research Conference - Moscow, ID
Undergraduate Student Poster Presentations – Tuesday, August 1, 2017

The Poster

1. Poster dimensions:
   36” tall x 48” wide
   Wider or taller posters will not fit properly on the display boards.

2. Poster should include:
   • Title
   • Authors and Institution(s)
   • Abstract
   • Background information
   • Hypothesis (if appropriate)
   • Materials and methods
   • Results
   • Discussion
   • Conclusion
   • Appropriate citations and logos (as described below)

3. Cite the relevant funding agencies, INBRE, COBRE, MSTMRI, and/or whatever applies to you, and NIH on your poster.
   Use the INBRE or COBRE logo as well as the logo of your host institution. The Idaho INBRE logo is available to you at our website: inbre.uidaho.edu/cite_inbre/

As of April 2013, NIH does NOT want its logos used to indicate NIH funding. Instead of NIH logos, please use wording such as: Supported by an Institutional Development Award (IDeA) from the National Institute of General Medical Sciences of the National Institutes of Health under Grant #P20GM103408.

At the Conference

Monday, July 31, 2017
1. It is your responsibility to bring your final poster to the Conference.
2. You will be assigned a poster number and a location to hang your poster.
3. You will hang your own posters starting the afternoon of Monday, July 31, 2017.
4. Push pins will be available

Tuesday, August 1, 2017
There are 2 poster presentation sessions on Tuesday.

• Session A – 10:45am – 12:45pm
  Students with odd-numbered posters will present.
• Session B – 2:00pm – 4:00pm
  Students with even-numbered posters will present.

Posters will be available for viewing throughout the conference

Voting will end at ‘6:30 pm’ on Tuesday.

PLEASE REMEMBER TO INCLUDE ALL RELEVANT FUNDING CITATIONS ON YOUR POSTER

The INBRE Summer Research Conference was made possible by an Institutional Development Award (IDeA) from the National Institute of General Medical Sciences of the National Institutes of Health under Grant # P20GM103498
